

## Software Configuration & Release Manager

**Eclipse Gaming Systems**, a growing supplier of gaming equipment, is looking for an experienced Software Configuration and Release Manager to be part of our small, but growing game development team in Lawrenceville, GA. You will be part of our casino video game development teamwork and will be an important member of the team.

Eclipse currently has games installed in a number of legal gaming jurisdictions in the United States and is about to start an expansion offshore.

The right candidate will join our growing team of talented software engineers and will be integral to the release and quality assurance process. This is a full time position in our Lawrenceville headquarters.

### **The Software Configuration & Release Manager will carry out the following key duties:**

- Prepare and maintain release configuration documentation
- Scheduling and planning of release with company management
- Manage upkeep of multiple software branches for different markets
- Coordinate with engineering time for future readiness and bug fixes
- Software issue tracking
- Emergency patch & fix planning and implementation
- Communication of fix and release plans
- Coordination of testing with outside independent test labs
- Improve build and configuration processes and automation

### **Our ideal candidate will possess working experience with all of the following:**

- SVN
- Java
- .NET (VB, C#, C++)
- Bugzilla
- Familiarity with signature tools

### **Prerequisites:**

- Competency in the required skills listed above
- Experience as SW Configuration Manager
- Good References

### **Experience with the following are big pluses:**

- Build Automation Tools
- Agile Software Development
- Windows XP embedded operating system building

### **Company Information:**

Eclipse Gaming Systems is an up and coming player in the gaming industry with games operating in a variety of locations in six different states. Eclipse has a growing base of very satisfied customers and players in a number of different markets. Players love our games.

If you are interested in this position please send **YOUR RESUME WITH SALARY HISTORY AND REFERENCES** to [jobs@egsgames.com](mailto:jobs@egsgames.com).

Eclipse is expanding. Join us and have lots of fun with us while we grow.
